Parallel session 5
Deep dive: training resources FAIRification, community and future opportunities
SSHOC Training in conversation with the wider ecosystem
Room: Einstein
Moderator: Ricardo Braukmann (BAM!, SSHOC)
- Valérie Neubald (HITC)
- Ellen Leenarts (SSHOC, DANS)
- Jolanta van der Laak (SSHOC, CLARIN ERIC)
- Shanjeeva Lustednander (ESOC Future/ OpenAIRE)
- João Víctor Brav (Université v Ljubljani, CESSDA)

Parallel session 6
How to become a SSHOCingly trustworthy environment for SSH data.
Tips & tricks for Research Infrastructures
Room: Baekeland
Moderator: Mari Kleemola (Tampere University, CESSDA)
- SSHOC Trusted Repositories user stories and certification issues for specific communities - Henri Ala-Lahti (Tampere University, CESSDA)
- Initiative to create SSH GDP Code of Conduct and legal data protection issues - Marianne Høgetveit Myhren (SIKT, NSD)
- GESIS and UKDA Pilot on secure connection - Deborah Wiltshire (GESIS)
- Opening access to research data in the archaeology domain - Holly Wright (University of York)

SSHOC’n Tell Challenge!
Try out our tools and tell your user story.
Online & Room: Galilei

12:30 - 13:30
Networking Lunch

13:30 - 14:30
SSHOC’n Tell User Stories Parade
Room: Einstein

14:30 - 16:30
AfterSSHOC: synergies along the journey to EOSC and sustainability
An interactive panel discussion on the added value for researchers, governance, collaboration in EOSC, future collaboration and sustainability.
Room: Einstein
Moderator: Ivan Klasik Veric (CESSDA, SSHOC)
Panel discussion with:
Franziska de Jong (CLARIN)
ESPR Cluster projects - Giovanni Lamanna (ESCAPE)
ESOC Association - Ute Gunsenheimer (ESOC Association)
- EOSC Future - Ron Dekker (Technopolis Group, EOSC Future)
- Data Communities - Laura Morales (SciencesPo, SSHOC, Member of EOSC Researcher Engagement & Adoption Task Force, EOSC Future User Group)

SSHOC, “Social Sciences and Humanities Open Cloud”, has received funding from the European Union’s Horizon 2020 project call H2020-INFRAEOSC-04-2018, Grant Agreement #823782.
Wednesday, 6 April 2022

8:30 - 9:30 Welcome Coffee, Registration and Online Meeting Point

9:00 - 10:00 Welcome Plenary: Connecting the Dots for SSH implementation in EOSC

- Start the day with multi-faceted views on SSH and complementary EU initiatives
  - Room: Einstein
  - Moderator: Marieke Willems (Trust-IT)
  - ESFRI point of view - Ivana Ilijasic Versic (CESSDA)
  - EC & EOSC point of view - Blagovesta Cholova (European Research Executive Agency, Unit REA C4)
  - Researcher point of view - Edward J. Gray (Huma-Num CNRS, DARIAH)

10:00 - 10:30 Networking Coffee

10:30 - 12:00 Discovery gateways and the SSH Open Marketplace

- Join fellow intrepid explorers for a tour of SSH synergies in the EOSC context
  - Room: Einstein
  - Moderator: Edward J. Gray (CNRS, DARIAH)
  - Launch of SSH Open Marketplace - Matej Ďurčo (OEAW, DARIAH)
  - EOSC Portal, the universal access channel to EOSC services and resources - Matthew Wijnen (EGI, EOSC Future)
  - Triple - Fosnotic Legit (OFAaRU)
  - Discover inspiring cultural heritage at Europeana - Valentine Charles (Europeana)
  - Delta Catalogues in SSHOC - Consten Thiels (CESSDA)

12:00 - 13:00 Networking Lunch

13:00 - 14:30 Parallel session 1

- Opportunities for Cross-Disciplinary Interoperability in SSH research data management
  - Room: Baekeland
  - Moderator: Diann Broeder (CLARIN)
  - ConversionHub - Mari Khvostova (Tampere University, CESSDA)
  - AïOLI - Adeline Manuel (CNRS)
  - RESTORE - Emiliano Degl’Innocenti, Carmen Di Meo, Francesco Condoluci, Mirza Moliassian, ORF Research Fellows (CNRS, OWI)
  - CiTian prototype as a data management tool - Nicholas Lasavasse (CNRS, DARIAH)
  - Concordia (CNRS, ISTI)
  - The Web Panel Sample Service (WPPSS) for cross-national surveys and panels - Guarino Guarino (ESS Survey)
  - Generic Michoed (Sciences Po, CDSP)
  - Dataverse repository service for SSH - Marion Wittenberg & Vyacheslav Tykhonov (DANS-KNAW)

14:30 - 15:00 Networking Coffee

15:00 - 16:30 Parallel session 3

- In practice: interoperability and data management in SSH
  - Room: Einstein
  - Moderator: Emiliano Degl’Innocenti (CNRS, E-RIHS)
  - Platforms for GLAM institutions - AïOLI - Adeline Manuel (CNRS)
  - ConversionHub - Mari Khvostova (Tampere University, CESSDA)
  - AïOLI - Adeline Manuel (CNRS)
  - RESTORE - Emiliano Degl’Innocenti, Carmen Di Meo, Francesco Condoluci, Mirza Moliassian, ORF Research Fellows (CNRS, OWI)
  - CiTian prototype as a data management tool - Nicholas Lasavasse (CNRS, DARIAH)
  - Concordia (CNRS, ISTI)
  - The Web Panel Sample Service (WPPSS) for cross-national surveys and panels - Guarino Guarino (ESS Survey)
  - Generic Michoed (Sciences Po, CDSP)
  - Dataverse repository service for SSH - Marion Wittenberg & Vyacheslav Tykhonov (DANS-KNAW)

16:30 - 17:30 Networking with drinks and interactive fun with our online guests

17:00 - 20:00 Social dinner with something special for our online guests

Thursday, 07th April 2022

9:00 - 10:30 Opening plenary: Breaking down silos on the road to the SSH Open Cluster

- Room: Einstein
  - Moderator: Astrid Verheusen (LIBER)
  - Bridging the silos & cross disciplinary use of tools - Cees van der Eijk (The University of Nottingham)
  - The SSH Open Cluster, future collaboration and a Memorandum of Understanding - Anna Vlaschits (CESSDA, SSHOC)
  - SSHOC Governance and Sustainability - Francheska de Jong (CESSDA)
  - SSHOC Open Marketplace Governance - Sue Barbour (OFAPR)

Parallel session 4

- SSHOC practical prompts for data and research
  - Room: Baekeland
  - Moderator: Annja Wever (UIA)
  - The new ESS data repository: Recommendations for a FAIR compliant integrated data and metadata repository - Archea Bolt Alexopoulos (E-RIHS Agency for Shared Services in Education and Research)
  -RESOLVE - Francheska de Jong (CESSDA)
  - Turning biomedical data to the SHARE repository - Fabio Francesca (Max Planck Institute for Social Law and Social Policy, SHARE)
  - Multilingual data management - Rodrigo Aygen (European Research Study Group, Tilburg University)
  - The Multilingual Corpus of Survey Questionnaires - Lisbeth Horselen (Manufactory)

10:30 - 11:00 Networking Coffee
