

# Current challenges of building social science research infrastructures in Ukraine

*Olena Kaminska, University of Essex*

# Population movement

# Population movement

**3.7 million IDPs**

200km  
200 miles

**Kyiv**

**Bakhmut**

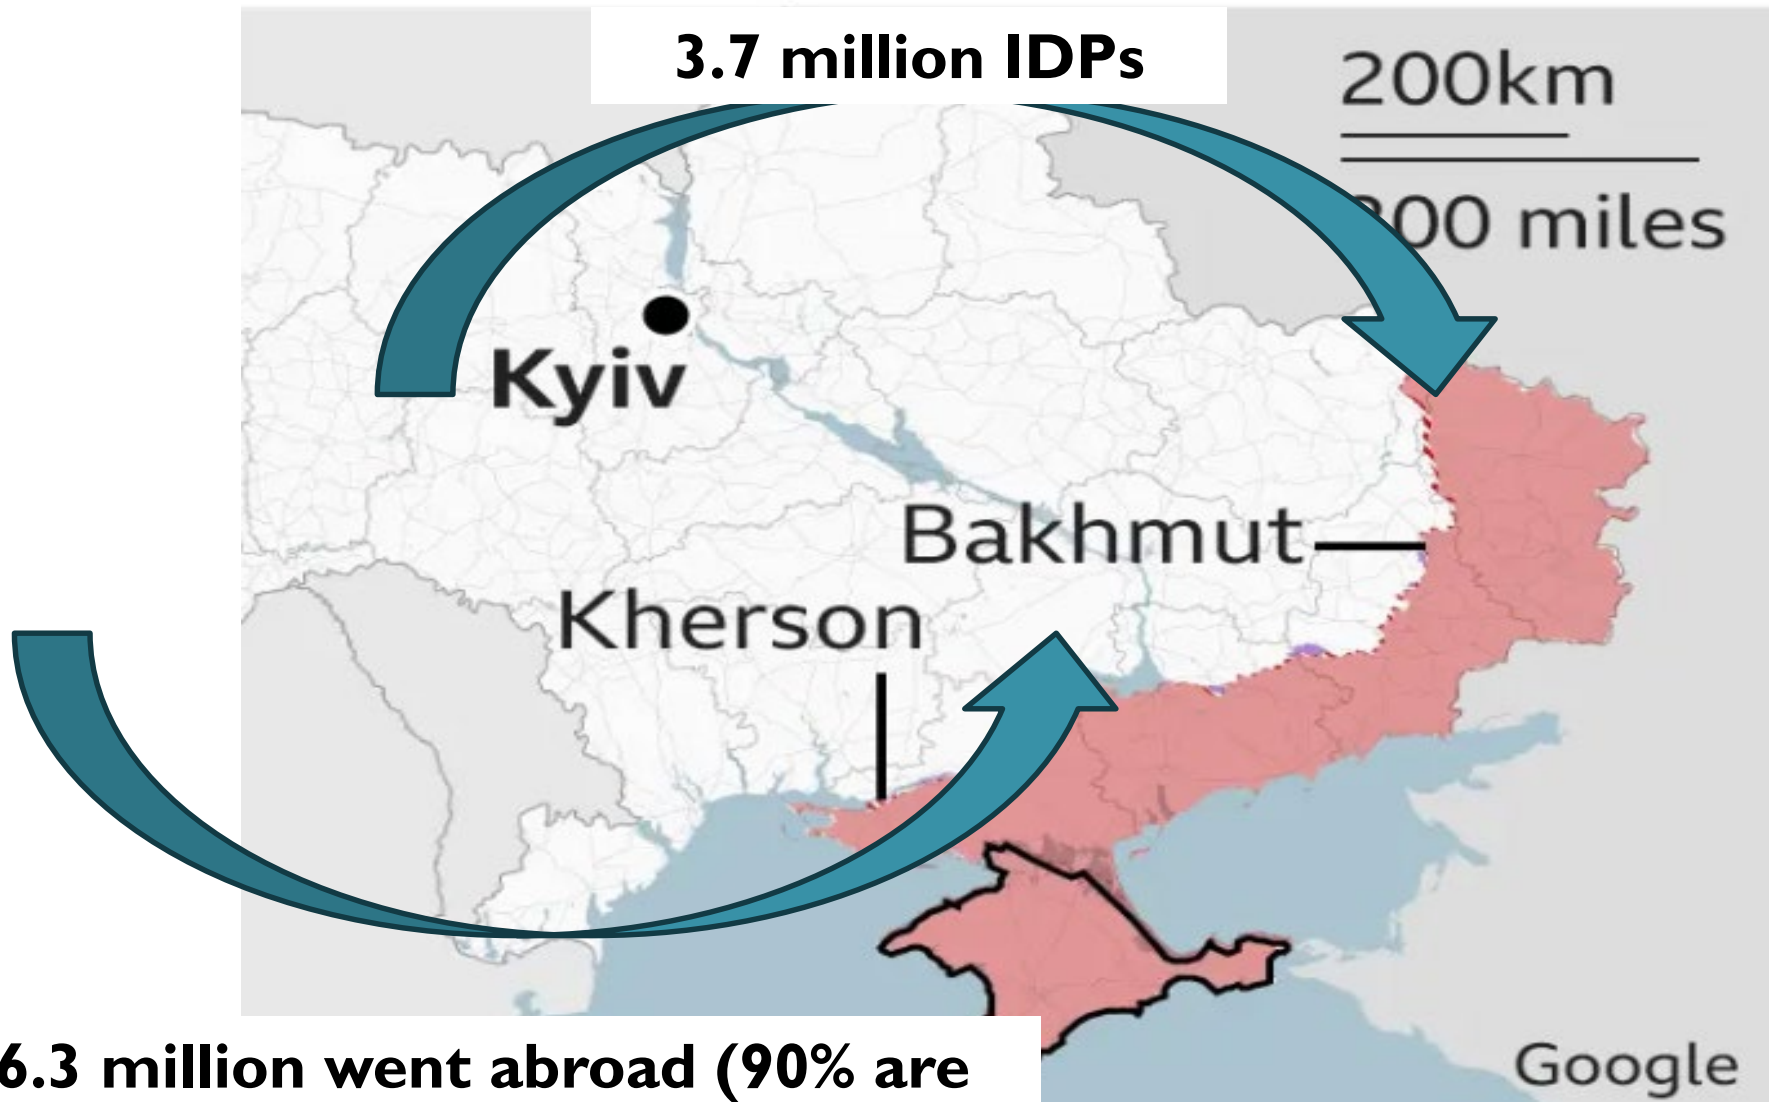

**Kherson**

**6.3 million went abroad (90% are women and children)**

Google

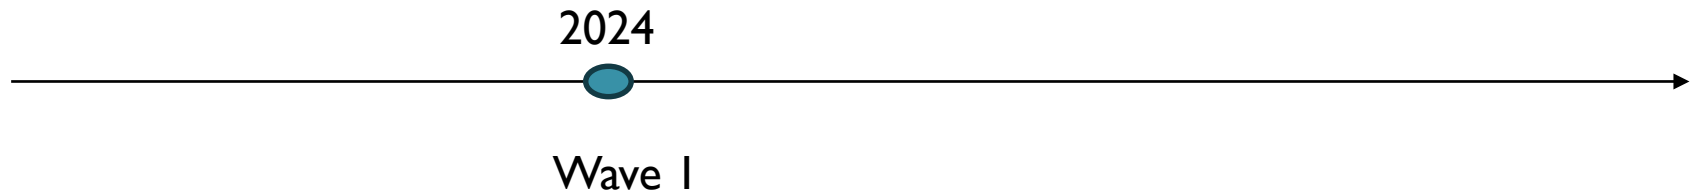

Future ???

**6.3 million went abroad (90% are women and children)**

# Challenge 1: timeline

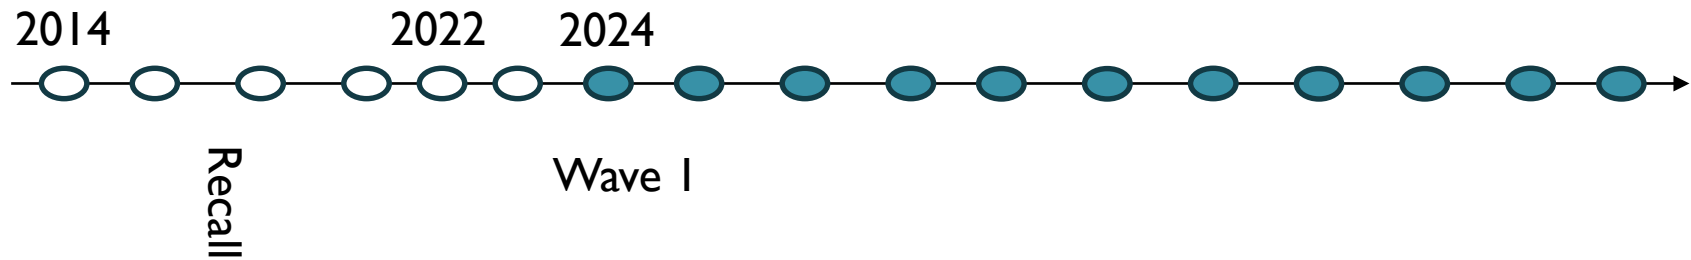

# UKRAINs: a longitudinal household panel survey

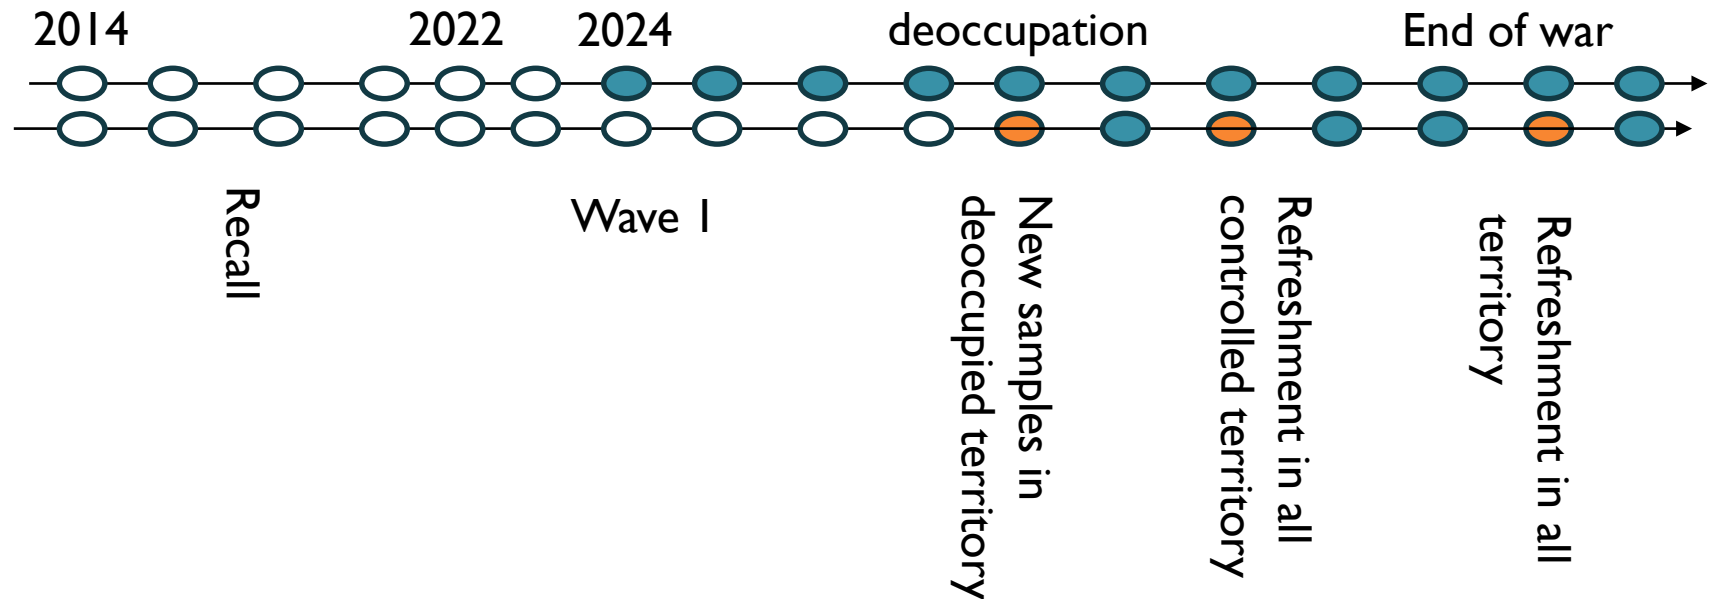

# UKRAINs: a longitudinal household panel survey

# UKRAINs: a longitudinal household panel survey

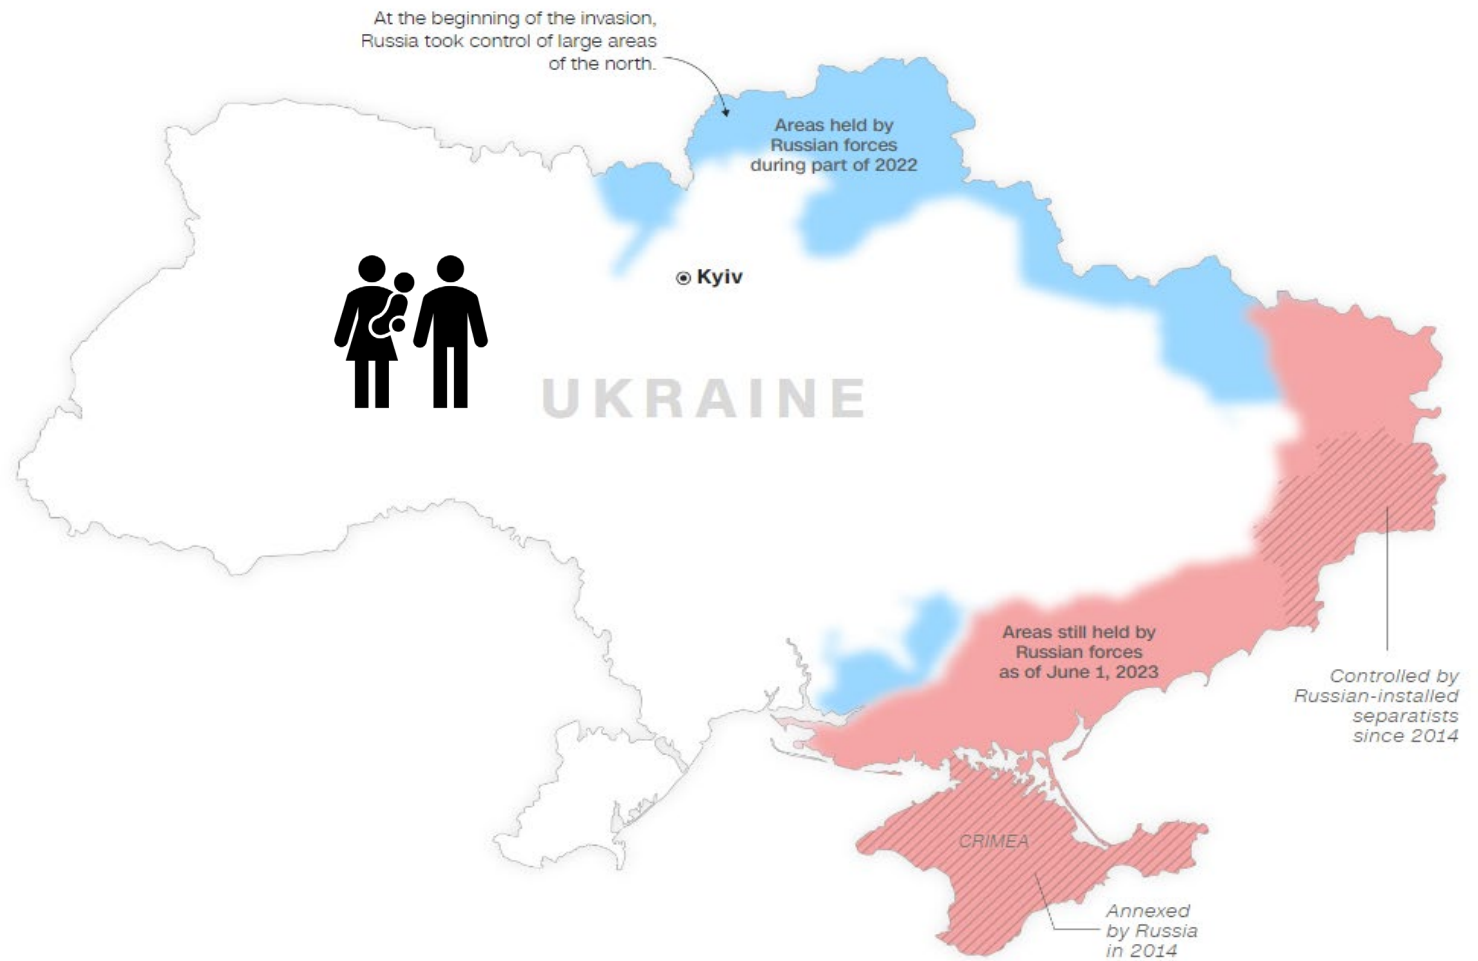

# UKRAINs: a longitudinal household panel survey

## Challenge 2: household structure

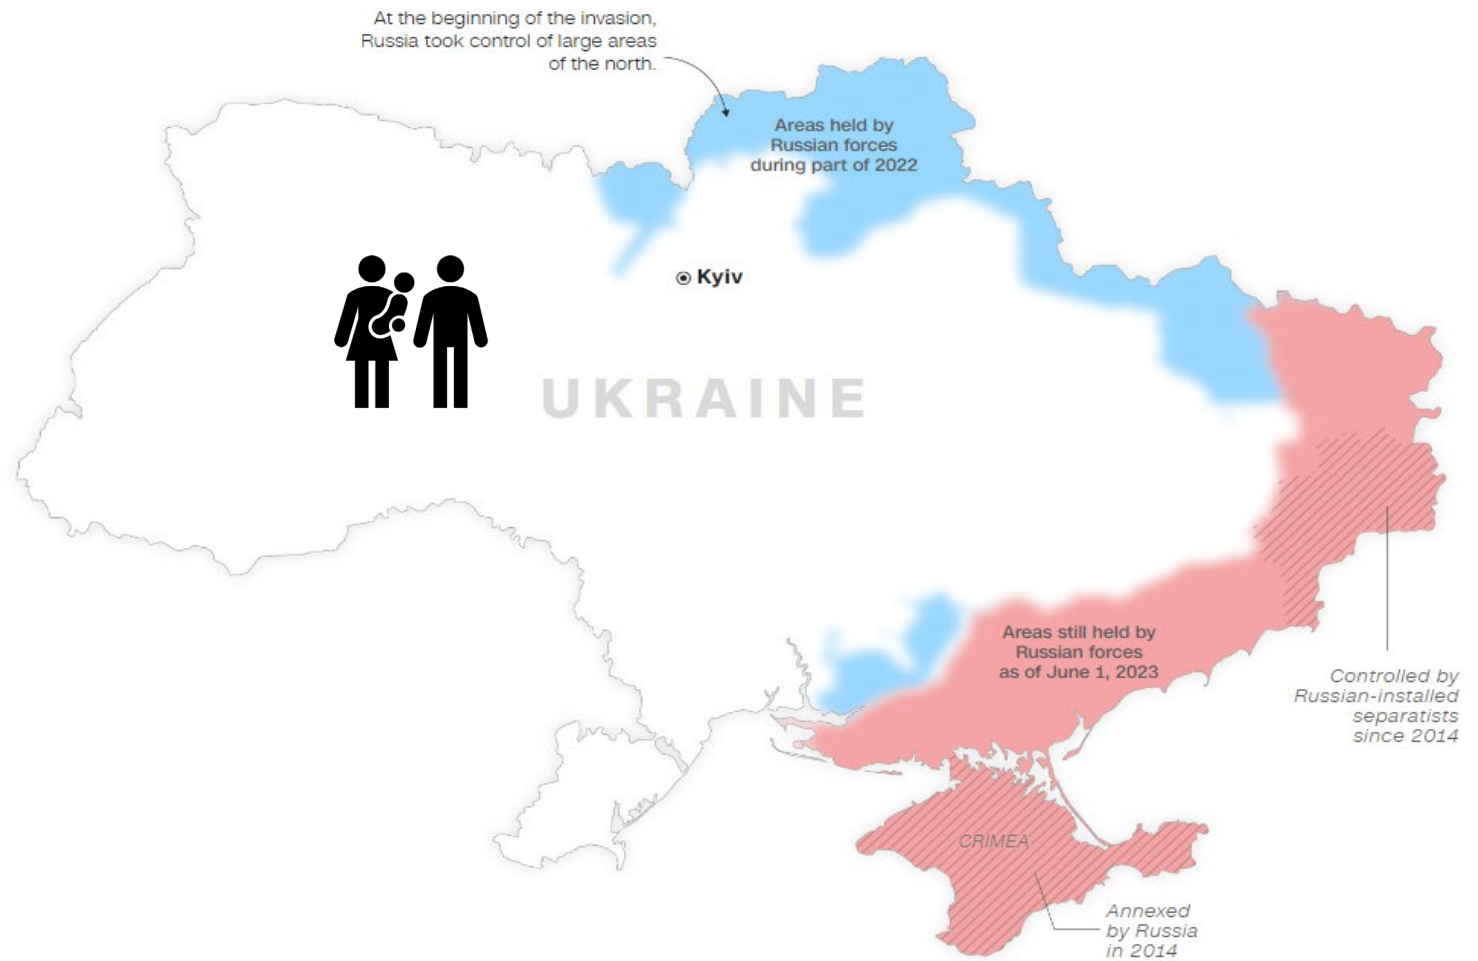

# Households

# Households

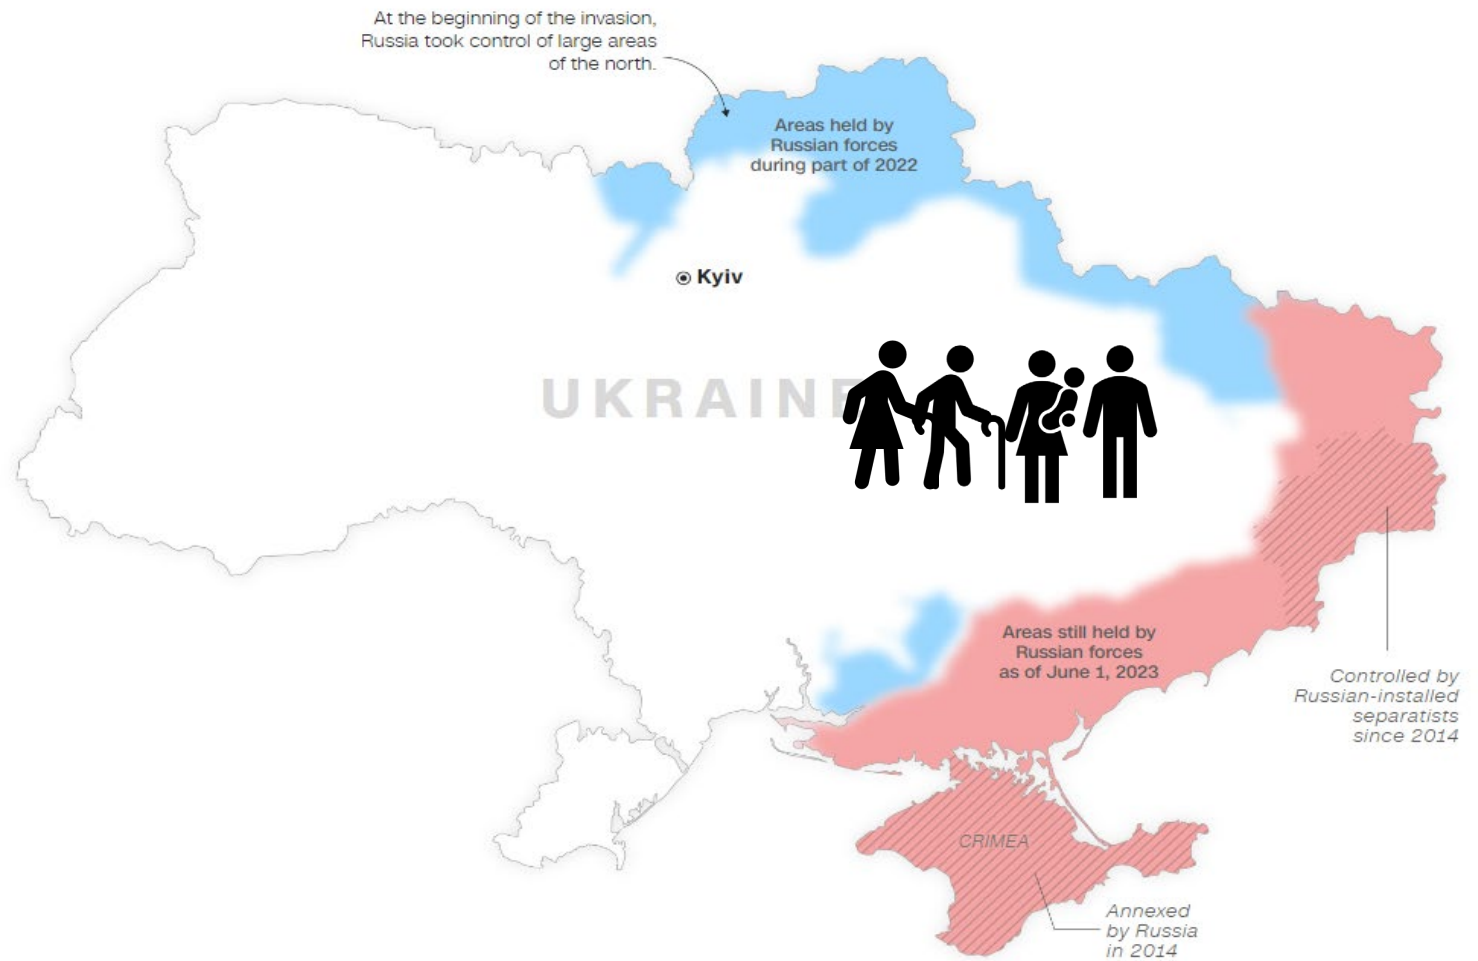

# Households

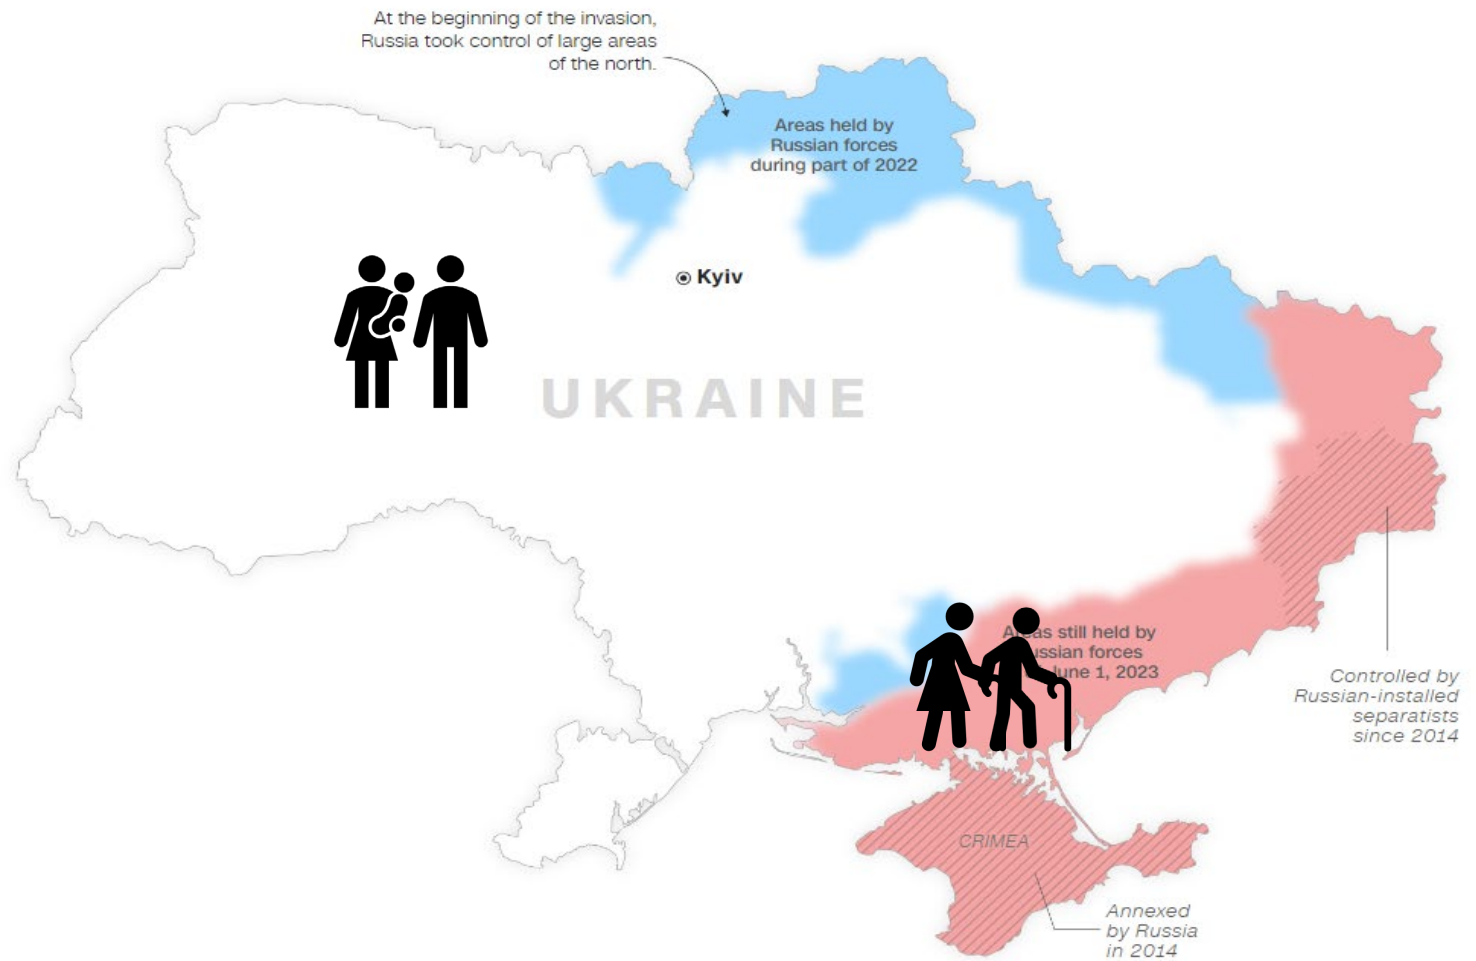

# Extended family

# Extended family

# Extended family

# Topics studied

- Moves
- Economic transitions
- Educational transitions
- Household splits
- Extended family support changes
- Stress, mental health and trauma

And their influence on

- Health and mental health
- Family dynamics
- Children's educational attainment and mental health
- Future life choices and life trajectories

# Challenges

- Funding
